

SAMURAI SHODOWN Patch Ver.1.51

Changed / Improved Features

-Resolved lobby issues during casual matches.

Changes / Improvements Made to Characters

Changed Area	Weapon	Description of Change
WAN-FU		
When picking up weapon	-	Resolved issues where under certain conditions, the weapon would leave a copy of itself on the field when picked up.
Pushbox	-	Decreased the front-facing pushbox area when standing. *Specifically, this resolves the issue where kick attacks would not register against a guarding Wan-Fu.
