

# THE KING OF FIGHTERS XIV Ver.1.05 PATCH NOTES

## Functionality Modifications / Corrections

- Addition of new ranking match ranks. The attribution of points per rank has been adjusted.
- Players can now be kicked out during a Ranked Match.  
(The matching can be cancelled by pressing the OPTION button at « Player vs Player »).
- Addition of “a little strong” and “strong” new opponent’s strengths when searching an opponent in ranked match.
- Online connection functions improved.
- Antonov and Verse are now playable from the beginning (no need to clear the Story Mode to unlock them).
- The issue that slows down the game speed when connecting an USB hub, etc... on the PlayStation®4 has been fixed.
- Minor bugs fixed.

# THE KING OF FIGHTERS XIV Ver.1.05 PATCH NOTES
