

## Functionality Modifications / Corrections

- Fixed an issue where the game will consider the player to have disconnected from an online battle if they change the display settings for "Icon", "Title" or "Rank Match Fight Record" on "My Profile" screen.  
**In addition, as a measure against the issues described above, we have reset all completion rate and disconnection penalties. Thank you for understanding.**
- Fixed an issue where "Search" , "Entry" and "Room Creation" online features did not work fully.
- Fixed an issue where the trial completion results did not display properly.
- Readjusted the efficiency of some characters' skills from the Ver.1.10 (Description Below)
- Minor bugs fixed.
