Cross-Platform Open β Test

Added Features & Feedback Request

If you're participating in the open β test (OBT), we would love to hear your feedback. Read on to find out more about the added features, then tell us about your experience during the OBT using the Player Questionnaire below.

Any technical issues encountered while playing the OBT can be relayed to us via our dedicated Issue Report Form, also below.

Thank you for helping us improve the online experience for KOF XV.
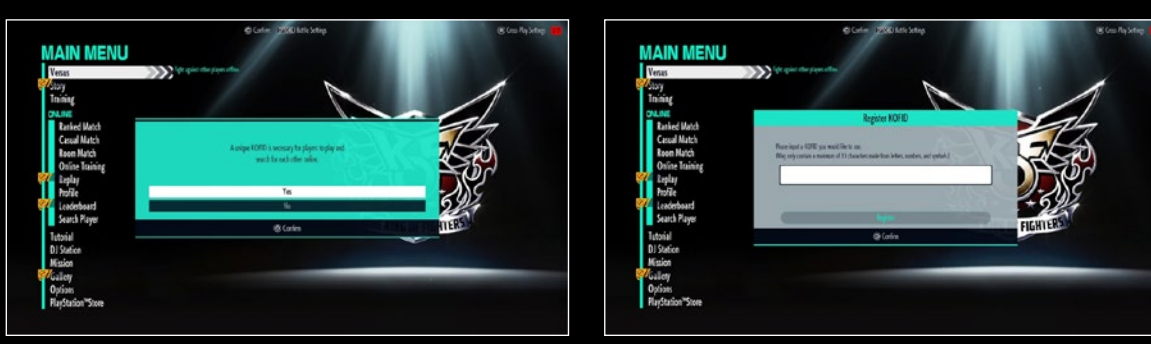

▶ **Player Questionnaire**   ▶ **Issue Report Form**

* Feel free to submit as many form responses as you want.
* Forms must be submitted by May 7th, 7:59 AM PDT (2:59 PM UTC).

Added Features

KOF ID creation

You will be asked to create a KOF ID when launching the OBT version of the game for the first time.
* Max 13 alphanumeric characters and symbols

* KOF IDs will be deleted after the OBT ends. They cannot be transferred to the retail version.

Platform icon display

Platform icons will be displayed next to player names as part of the new cross-platform functionality. These icons will let you see whether or not a player is on a different platform than you.

Player icons

- PlayStation® icon (PS4®/PS5®)
- Xbox icon (Series X|S/Windows 10)
- PC icon (Steam/Epic Games)

Opponent icon

- Network icon

This icon will show when you are matched with someone playing on a different platform. If both of you are on the same platform, your opponent's icon will be identical to yours.

Cross-platform support toggle (ON/OFF)

This option can be found in the top-right corner of the Main Menu screen.
* Cross-platform support is set to ON by default when you first launch the game.

* All images are from the PS4 version.
