■ SYSTEM	
Training Mode Recording	Resolved: Actions performed at certain times wouldn't play back properly. Issue occurred when the recording mode was set to Reversal.
Other	Resolved: Minor graphics issues.
Changes	Details
■ General	
Wall Knockback Damage	Pushbox no longer triggers while the opponent is knocked back. * Adjusted to prevent unnatural behavior in situations where you come between the opponent and the wall.
Changes	Details
■ CHIZURU KAGURA	
212 Katsu Shinsoku no Norito Ten Zui (LP/HP/EX)	• Expanded pushbox upward. * Adjusted to mitigate situations where the character would, under certain circumstances, circle behind the opponent post-hit.
■ SHINGO YABUKI	
Jumping Blow Back (Normal/Hyper Jumps)	• Resolved: Would trigger a counter hit on impact.
